Working Together

This information package is designed to assist parents, guardians and community members to understand the standard procedures associated with the management and organisation of our school. We encourage parents to contact the school should there be anything that remains unclear.

Roebuck Primary School is a strong, safe school where we expect all to achieve their best; and by working together, our school community is able to support us to achieve our vision: *Working Together.*

Our School

Roebuck Primary School was the first regional 'School in Houses' in Western Australia. The school opened in January 2000 with six houses being utilised as eight teaching/learning areas, including an administration building and a library. In 2005/2006 staff and students moved into their new school site on Spoonbill Avenue which incorporated three teaching blocks including purpose built music and art rooms, a library, undercover area and an administration building.

In addition to the classroom and office facilities, the school has a hard court area providing courts for tennis, basketball and netball, cricket nets and pitch and a full size oval for football, athletics and other sporting activities.

In 2014 Roebuck Primary School achieved Independent Public School (IPS) status. Together with Cable Beach Primary School, Broome Primary School, Broome North Primary School and Broome Senior High School, the Broome Independent Public School Cluster is formed: our motto being ***Five Schools, One Community***.

Connect

We are a Connect School. Connect is an integrated online environment developed by the Department of Education WA for staff, students and parents in public schools. We utilise Connect to inform parents and caregivers of school happenings, as well as updates from the classrooms. All student reports and newsletters are distributed via Connect.

When your child commences school, you will be emailed an invitation to join Connect, which will include secure login details containing a P-number (Parent Number which is your Username) and Password. To access the browser-version of Connect, open a browser on your computer, type the address connect.det.wa.edu.au in the address bar and complete the login.

If you have multiple children attending different public schools you only need one login.

Connect Now App

Connect Now is an app for mobile and tablet devices that allows you to receive notifications from Connect on your device. You can manage the type of notifications you receive by logging onto Connect through your browser and changing your settings in the **My Connect** tab. The Connect Now app is available on iOS and Android devices.

The Ibis and Spoonbill were chosen by the 2000 student body. As the school is built on Broome's original airport runway the theme of flight has been carried throughout the school buildings and surrounds.

Local Intake School

Roebuck Primary School is a local intake school and draws from the suburb of Djugun.

Voluntary Contributions and Charges

The Roebuck Primary School Board endorsed on 31 August 2020 the schedule of Voluntary Contributions and Charges for 2022. The schedule is broken into sections and will allow you to calculate all costs that may be incurred throughout the school year.

The total amount of contributions parents/caregivers are being asked to pay has been set at $60.00 per student which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning programs will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

If all the contributions are paid the school will be able to provide enhanced and more stimulating activities/programmes for each child. It is therefore vital for the school to receive your family's contribution. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities.

A breakdown of estimated charges for your child's participation in excursions, incursions and activities for 2022 have been included below and payment will be requested during the school year when costs and participation by students is confirmed. Details on charges collected in previous years has helped guide the 2022 estimate of charges.

The amounts shown represent the maximum charged for scheduled activities in 2022. Charges are those that are required for your child to participate in a "user pay" situation.

The table below gives you the breakdown of where we will direct your voluntary contribution to and possible optional charges.

2022

CHARGES

Extra Cost Options Estimated Maximum Cost

Excursions/Visiting Artists	K-6	$120.00
Interschool Sport	1-6	$60.00

*$650 is the expected total cost inclusive of all activities, accommodation, transport and food for a five day camp. Parent fundraising has historically reduced the contribution to approximately $300 per student. This amount per child per annum is therefore dependent and directly related to the effort and energy of the fundraising.

Prior to camp, payment plans may be negotiated with the Principal.

Payment will be requested during the school year when costs and participation by students is confirmed

Voluntary Contributions and Charges were approved at School Board meeting held on 31 August 2020.

Student Welfare

Your child's education is of paramount importance to us at Roebuck Primary School. To this end the school has processes in place to ensure our students are valued and able to achieve their full potential.

Attendance

Succeeding in school requires developing good habits and attendance is one of the most important. For all children, learning to attend school regularly can help them develop the necessary academic skills, social competencies and the personal qualities of persistence, perseverance and social well-being.

Parents play a key role in getting their children to school on time every day. See below for some tips on getting your child to school:

- Send your child to school every day, starting in Kindergarten, to teach them that attendance matters.
- Don't let your child miss school without a good reason.
- Try to avoid medical appointments during school hours.
- Avoid vacations during school term.
- Work with the teacher and Principal on problems your child is experiencing.
- Turn to other families who can help you with dropping off or picking up.
- Create routines and stick to them.
- Set a regular bed time and morning routine to get ready for school.
- Find your own ways to reward good attendance. You know best what motivates your child.
- Be open and honest with the school.
- Make sure the school has your up-to-date contact information.
- Seek medical help when required. Anything from asthma to a bad bout of head lice can keep your child out of school.

If your child will be or has been absent, you can send an absent note via the school email:

roebuck.ps@education.wa.edu.au

OR

The "Report an Absence" quick link on the front page of the school website www.roebuck.wa.edu.au

Behaviour Management

Roebuck Primary School strongly supports the right of both students and staff to work and learn in a safe environment without being affected by disruptive behaviour. Our staff adopts fair and consistent approaches to support effective classroom management.

We encourage our students to become enthusiastic, independent learners and valued citizens. In order to help students achieve this we use the language and lessons of 'Zones of Regulation' across the school. Students are taught how to become more aware of, and independent in, controlling their emotions and impulses, managing their sensory needs and improving their ability to problem solve conflicts.

For further information a full copy of the Behaviour Management Policy is available from our website.

Birthdays

We enjoy celebrating your child's birthday. You are most welcome to bring individually wrapped icy poles for children to share.

Check with your child's classroom teacher for student numbers and to confirm correct information regarding any student allergies.

Collection of Children

Please collect your child promptly at the end of school. Students will be released from class at 2:00pm. If you are running late please phone the school to inform the class teacher to ensure your child does not worry or become upset.

Head Lice Policy

The most effective way to control head lice infestation is for parents to routinely inspect and treat head lice. Staff will notify all parents if a case of head lice is reported in their class. There are several ways head lice can be treated. Information can be obtained from the Health Department website below.

https://healthywa.wa.gov.au/Articles/F_I/Head-lice

Health

If your child is unwell please keep them at home so that they can rest in a quiet and comfortable environment. Staff do not have the facilities to care for sick children and would appreciate it if they could remain at home until fully recovered. This minimises the risk of cross-contamination between other children and teachers. Your co-operation in this matter is greatly appreciated.

Health Care Plan

If your child has an identified illness or medical condition, please contact the administration office to arrange for a Health Care Plan to be established prior to the student commencing or returning to school. This allows us to implement the necessary procedures and practices to support the student's health and wellbeing.

Medical Conditions and Allergies

Minor injuries or illness during the school day are usually attended to at the school level. The school medical room is not used for extended supervision of sick students. If students are ill, parents or guardians will be contacted to collect their child. If your child is not well before school, please keep them at home.

School staff are NOT permitted to administer medication to students without parent/guardian written permission. If your child is on regular medication or a short course of medication and requires this to be taken during school time, parents are required to complete the appropriate documentation available at our office or alternatively on our website. All medication on the school premises MUST be handed to the front office, in their original packaging, for storage.

Sudden Illness or Accident

Roebuck Primary School provides basic first aid facilities and first aid kits for excursions.

Where an injury or illness is deemed to be beyond minor first aid, parents will be contacted. In extreme emergencies students will be taken to a doctor, hospital or an ambulance called.

School Health Services

The Department of Health WA and the Department of Education WA jointly fund the School Health Program promoting improved health outcomes for school aged children and young people. School Health Services are delivered using a population-based approach to universal and targeted prevention, health promotion and early identification and intervention, for children and adolescents in schools.

Services include:

- vision and hearing screening and surveillance.
- access to parenting programs.
- early detection and referral of children exhibiting mental health risk factors.
- developmental assessments and referral to other specialist services such as Community Health's Child Development Service (CDS) as required.
- in-class health education and presentations.

A trained nurse visits the school regularly to carry out routine medical checks including hearing and vision appraisal. Parents are advised if a child appears to require further medical attention.

Immunisation

Under existing legislation, parents are required to provide their child's Australian Immunisation Register (AIR) Immunisation History Statement, no more than two months old, when enrolling. Department of Health WA urge parents to have their children fully immunised to protect them, and to stop the spread of preventable diseases.

Healthy Choices

Schools have a vital role to play in helping to reduce the world wide focus on childhood obesity. Nutritional and physical activity messages are being taught in the classroom by modelling healthy food and drink choices.

Children should eat a wide range of foods so that they have the energy for learning and growing. An easy-to-follow "traffic light" system assists to help plan menus full of healthy, nutritious and affordable menus. The standards require that foods in the:

- GREEN category is encouraged.
- AMBER foods should be selected carefully and eaten in moderation.
- RED food and drinks should be avoided

This policy is frequently reviewed by the Department of Education.

Mobile Device Policy

The school discourages students from bringing mobile phones, other connected devices and smart watches to school. These devices cause disruption in classrooms and the playground, and can be used inappropriately to access social media and take photos without permission. This can cause distress to others. The following rules apply the use of mobile phones, other connected devices and smart watches in the school.

Pre-Primary Information

Stationery Supplies

Please ensure that the items on the 2022 Personal Use Items list are brought to school as soon as possible. Please only mark your child's Portfolio and Library Bag with your child's name. All other items will placed in a shared pool for the whole class.

What Your Child Needs to Bring

- One piece of fruit or healthy snack for recess each day.
- A nutritional lunch in a lunch box to be placed in the fridge. Note that cooler bags are unnecessary and take up too much fridge space.
- A water bottle.
- Large school bag (large enough for lunches, school work, spare clothes).
- A library bag.
- A wide-brimmed or legionnaire's hat. Roebuck Primary School supports the 'No Hat, No Play Sunsmart Policy'.
- Safe shoes/sandals. Thongs or slip-ons are not suitable.

Please label all personal belongings with your child's full name.

Parent Help Roster

Parents and family members are invited to participate in our roster. Each class teacher will notify you when this begins. Parent Helpers are requested to sign the Visitor's Book in the front office and wear a "Parent Helper" badge when on roster. Parents working with children in the classroom are required to complete a Department of Education "Confidential Declaration" which is provided in the Visitors Book or provide a current Working with Children Check (WWCC) number.

Recess and Lunch Times

We request parents send their children to school with healthy choices for recess and lunch breaks. Children are encouraged to eat their main meal before any additional snacks. The children are given half an hour to eat their lunch. After this time they are given the opportunity to finish eating outside in the shade. All remaining food is put back in their lunch boxes so you have an idea of how much, and what, has been eaten.

Accidents

Children are always very busy and sometimes forget to go to the toilet. To minimise embarrassment to your child, we ask that a complete change of clothes is stored in your child's school bag every day.
