Roebuck Primary School
Good Standing Policy

At Roebuck Primary School, our Good Standing Policy is designed to promote positive student behaviour in alignment with the Department of Education's Student Behaviour Policy, the *Keeping our Workplace Safe* initiative, the WA Positive Behaviour Support Framework, and our school's values and expectations.

The policy emphasises the importance of students taking responsibility for their actions and their impact on both their academic performance and their social interactions with others. Through explicit teaching of positive behaviours, we equip students with the skills and knowledge needed to meet school expectations. The Good Standing Policy is central to our school values of Respect, Responsibility, and Resilience.

All students start the school year with Good Standing status.

Loss of Good Standing

A student's Good Standing status may be revoked if they engage in any of the following behaviours:

1. Ongoing disruptive or unproductive behaviours, resulting in three or more referrals to administration within one term.
2. Serious breaches of behaviour expectations, including:
    - Failure to follow the Roebuck Primary School Behaviour Management Process
    - Physical or verbal abuse, threats, harassment, or intimidation of staff or students
    - Leaving the teacher's duty of care without permission
    - Malicious damage or theft of property
    - Carrying, using, or threatening with weapons

If a Student Councillor or Faction Captain loses their Good Standing, they will no longer be able to represent the school during this period. For more serious behaviour breaches, their leadership position may be revoked.

Parents or guardians will be contacted if their child is at risk of losing Good Standing. Students who lose their Good Standing will be excluded from special events or privileges, such as:

- Excursions/incursions
- Camps
- Interschool sporting events
- Special privileges e.g. Year 6 eating area

The duration of the loss of Good Standing will vary depending on the behaviour(s), with a minimum period of 4 weeks. During this time, students will receive feedback and support to help them understand the path to regaining their Good Standing.

Reinstatement of Good Standing

Good Standing may be reinstated once a student has demonstrated positive behaviour throughout the duration of the loss of Good Standing period. The student and their parents/carers will be notified once their Good Standing has been restored. If there is no sustained improvement in behaviour or if the behaviour remains inconsistent, an extension of the loss of Good Standing may occur.

At Roebuck Primary School, we are committed to supporting our students in their journey to grow and learn from their experiences, reinforcing the importance of positive choices that benefit both the individual and the school community.
